Detailed description: This is a screenshot of a Microsoft Word application window. The window title is 'Microsoft Word - Tittel.docx'. The document content shows the word 'Tittel' in the title bar and the text 'Hvita, me itano José María' in the main body. A black circle highlights the text. The taskbar at the bottom shows several open applications: Internet Explorer, Firefox, and several instances of 'Fjære' (likely a translation tool). The system tray shows the time as 15:00. In the top right corner, the logo and name of 'UNIVERSITETET I OSLO' are visible. On the right side of the slide, there is a vertical blue bar with a white silhouette of a person. At the bottom right, there is a small image of a laptop displaying a video conference.
